

London District Chiefs Council
5th Annual Golf Tournament – Benefiting Regional Youth Initiatives

SPONSORSHIP PACKAGE

The Southern First Nations Secretariat (SFNS) is currently seeking sponsorships for the London District Chiefs Council (LDCC) 5th Annual Golf Tournament: Benefiting Regional Youth Initiatives. Each year SFNS hosts an annual golf tournament where the money raised is used to fund regional youth programming that directly benefits LDCC youth. The eight LDCC member First Nations are: Aamjiwnaang First Nation, Caldwell First Nation, Chippewas of Kettle & Stony Point First Nation, Chippewas of the Thames First Nation, Bkejwanong Territory (Walpole Island First Nation), Eelünaapèewii Lahkèewiit (Delaware Nation), Munsee-Delaware Nation, and Oneida Nation of the Thames.

Most recently, the LDCC Regional Youth Initiatives Fund was able to provide financial support to 32 youth athletes who participated in the 2023 North American Indigenous Games (NAIG) hosted in Halifax, Nova Scotia. NAIG is a large indigenous youth sporting event held every four years and hosts competitions in 16 sports for youth 13-19 years of age. You can help support valuable initiatives like this by becoming a sponsor through one or more of the following ways:
